ALLIANCE MEMBERS

CONNECT EELISA

as a STUDENT

"The experience of getting involved in EELISA has been enlightening for me. It has taught me that the sky is not the limit—our only boundaries are those we set for ourselves, boundaries we can eventually surpass".

Sonia Maer

Aerospace Engineering Student at
POLITEHNICA of Bucharest, Romania, and
EELISA Student Council representative.

EELISA

**MEET EELISA, THE
ALLIANCE THAT IS
TRANSFORMING TODAY'S
HIGHER EDUCATION TO
IMPACT TOMORROW'S
SOCIETY.**

Join the perfect ecosystem for innovative teaching and learning experiences with significant societal impact, and unprecedented research collaboration among academic and non-academic partners from around the globe.

Benefit from unprecedented collaboration opportunities

Expand your network

Bring your funding to the next level

Join a network of educators transforming STEM

Engage with European institutions

ALLIANCE MEMBERS

CONNECT EELISA

as a COLLABORATOR

"To be successful in the long run, we need young people with different backgrounds who are used to working in international teams, have a solution-oriented mindset, and a sense of social responsibility. In projects like EELISA, young people can already learn and work in these kinds of teams and conditions".

Constanze Welter

Senior Consultant for Research and
Innovation Ecosystem Manager, SIEMENS.
